EXPERIENTIAL OPPORTUNITIES available to pursue in and around the community:

Community Service Projects

Check with local organizations for ways in which you can earn service hours. Make sure to follow the process for submitting all service hours ([linked here](#)).

Senior Project, Kenston High School

This mentorship opportunity is a valuable week long experience at the conclusion of senior year, where seniors select a mentor from a career field of interest. There they get to experience 50 hours of on-the-job work experience with their mentors.

Speaker Series, Kenston High School

Watch for news of the Business Speaker Series within the school year. Local business professionals speak as a panel to discuss the goals, obstacles, and rewards of pursuing a career in business.

Summer Camps and Opportunities

Check with the Guidance Office for an updated list of summer camps to participate in. The list changes from year to year and includes opportunities offered by local universities, colleges, businesses, and organizations.

*Also, look for job shadow opportunities with someone currently working in and enjoying the field you may wish to pursue. Senior Mentorship.
